Corps of Engineers to close Midway Park boat ramp for construction

FORT WORTH, TX -- The U.S. Army Corps of Engineers at Waco Lake will temporarily close access to Koehne Park boat ramp effective April 28, 2003. The ramp is being closed due to construction activity associated with the Waco Lake Pool Raise project.

The boat ramp and parking lot will be raised to accommodate the 7-foot pool raise. Alternative locations for boat launching on this part of Waco Lake are the new ramp located in Twin Bridges Park and the ramp located in Midway Park.

The Koehne ramp will be re-opened when construction is completed. For more information, please contact the Waco Lake Office at 254-756-5359.
